The Honorable Colleen McMahon
United States District Court, Southern District of New York
500 Pearl Street, Room 640
New York, New York 10007

Re: Leighton Tech. v. Oberthur Card Sys. et al., Case No. 04 Civ. 02496 (CM)

Dear Judge McMahon:

I am writing on behalf of both parties to respectfully request that the hearing on inventorship/standing be moved from July 7-9 to July 16-18. This request is necessitated by the schedules of participants at the hearing, as well as by a recent conflict with the IBM v. Platform Solutions, Inc. case pending before Judge Kaplan, in which a Markman Hearing has been set for July 8th. I am arguing on behalf of IBM at that Markman Hearing.

We very much appreciate the Court's patience with respect to scheduling issues in this case, as well as its consideration of this request. The parties are available to discuss this further at the Court's convenience.

Respectfully submitted,

Edward J. DeFranco, Esq.
